Swims far

Eats crab

A sea turtle swims far

Turtles swim and crawl

Under the sea they swim

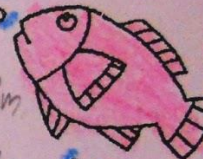

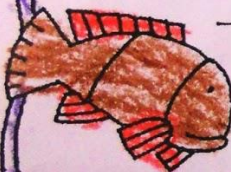

Reptile family

Turtles lay eggs

Long as a child

Eggs hatch

Sea turtles

Dolphins

- D**ives to hunt for
- O**ncarpis dolphin
- L**eap high
- P**erform in shows
- H**as two rows of teeth
- I**t is a mammal
- N**ot fish
- S**wim together in pods

The page is decorated with hand-drawn illustrations of sea creatures: a yellow fish at the top left, a purple jellyfish at the top right, a pink seahorse on the left, a purple clam on the left, a blue crab on the left, a purple fish on the right, a pink clam on the right, and an orange seahorse on the right. Bubbles are drawn around several of the creatures.

Cool

Amazing animals

That are

so cute
