

Sound Flashcard Check

This sheet is for you to check how well your child knows the sounds you have taught them. You can use it to help you to plan which sounds to include in the 'Quick-fire' section of your Phonics lessons.

You will see that some letters/groups of letters appear more than once in the flashcard column – this is because your child has learnt more than one sound that is represented by these letters.

Flashcard	Sound(s) (As in...)	Known (quickly)	Known (less confidently)	Not known or confused
c	cat			
t	cat			
a	cat			
d	dog
