

How to Draw a Picture of the Pigeon

You will need:

- A pen
- A whiteboard or a plain sheet of A5 paper

Instructions

1. First, draw a circle near the top of your whiteboard a bit bigger than a 50p (head).
2. Then, put another circle inside that circle (eye).
3. Now, make another circle inside that circle and colour it black (pupil).
4. Next, draw 2 straight lines down from the first big circle (neck).
5. Then, draw a straight line from the right side of the neck to make an L shape (back).
6. After that, draw a curved line from the left side of the neck to join the L-shape on the right side (tummy).
7. Then, draw a wing shape.
8. Afterwards, draw 2 lines for the legs.
9. Next, add the feet and the band on the neck.
10. Finally draw 2 small triangles for the beak.
