

# Primary Science Year 1 Assignment 01

---

<b>SUBJECT</b>	Primary Science Year 1
<b>ASSIGNMENT</b>	01
<b>STUDENT NAME</b>	

## INSTRUCTIONS:

This assignment requires a video to be submitted to Canvas. You may only submit one video file per assignment. Please see the guidance '*How to Submit Video Assignments*'.

For your child's first science assignment, your tutor would love to see some of the work they have been doing in Step 3.

---

## TASK:

Film your child completing the sound experiment from Step 3 Lesson 1. This does not have to be a 'well-polished' video by any means. It is merely a chance for your tutor to hear and see your child's thoughts and comments as they talk about sound.

Alternatively, if your child feels more comfortable, they may wish to talk to the camera after the lesson about what they learnt by doing the sound experiment.

---

## FEEDBACK:

The tutor will give you feedback on how well your child shows their understanding of sound in the sound experiment, and of senses so far in the written task.

---

**TOTAL FOR ASSIGNMENT 100 MARKS**
