

Primary Science Year 1 Assignment 08

| | |
|---------------------|------------------------|
| SUBJECT | Primary Science Year 1 |
| ASSIGNMENT | 08 |
| STUDENT NAME | |

INSTRUCTIONS:

Your tutor would love to see some of the learning your child has been doing during their work on observing puddles.

Send a short video clip of your child talking about their learning from Step 22 Lesson 2.

Feedback from your child's tutor:

- The tutor will give you feedback on how well your child can talk about their scientific observations and how much progress they are making with their understanding about evaporation.
 - They will look for your child's use of scientific vocabulary.
 - They would also love to comment on your child's enjoyment of science through the photos and videos.
-

TOTAL FOR ASSIGNMENT 10 MARKS
