

Primary Maths Year 2 Assignment 10

SUBJECT	Primary Maths Year 2
ASSIGNMENT	10
STUDENT NAME	

INSTRUCTIONS:

For your child's Maths assignment, they should complete these tasks as independently as possible.

This assignment task will be completed in Step 30 Lesson 5.

Part A: Complete the table to show the new amounts for each ingredient for the Rice Crispies Cakes.

PART A - Ingredients Table for Rice Crispies Cakes				
Ingredient	Whole amount	$\frac{1}{2}$ amount	$\frac{1}{3}$ amount	$\frac{1}{4}$ amount
Butter	12 tablespoons			
Mini marshmallows	16 cups			
Rice Crispies	24 cups			

Part B: Look at the recipe for the Chocolate Cornflakes Cakes and then complete the table to show the new amounts for each ingredient.

Chocolate Cornflake Cake Recipe:

12 tablespoons of golden syrup

24 tablespoons of butter

48 squares of chocolate

36 cups of cornflakes

- Melt the butter, syrup and chocolate in the microwave. (This usually takes about 30 seconds.)
- Stir in the cornflakes.
- Spoon the mixture into the cake cases and leave to set.

PART B - Ingredients Table for Chocolate Cornflake Cakes				
Ingredient	Whole amount	$\frac{1}{2}$ amount	$\frac{1}{3}$ amount	$\frac{1}{4}$ amount
Golden syrup	12 tablespoons			
Butter	24 tablespoons			
Chocolate	48 squares			
Cornflakes	36 cups			

TOTAL FOR ASSIGNMENT 19 MARKS
