

Primary Maths Year 2 Assignment 11

SUBJECT	Primary Maths Year 2
ASSIGNMENT	11
STUDENT NAME	

INSTRUCTIONS:

This assignment requires a video to be submitted to Canvas. You may only submit one video file per assignment. Please see the guidance 'How to Submit Video Assignments'.

For your child's Maths assignment, your tutor would love to see some of the work they have been doing from Step 33. Please follow the instructions on the Step 33 Lesson 3 lesson plan.

- Complete the assignment during Step 33 Lesson 3.
- Submit the video clip to your child's tutor at the end of Step 33 Lesson 5.

Please note that the video should be up to 5 minutes in length and does not need to be a 'polished' video by any means. Its purpose is to give you and your child's tutor a flavour of their understanding of subtracting by counting back.

TOTAL FOR ASSIGNMENT 10 MARKS
