SUBJECT: Bonfire Night

Hey,
I'm so thrilled! I'm going to the park to watch the fireworks display tonight. Every year, I really want to go but I've had to wait until my baby sister grows up more... but tonight is finally the night! We usually spend the evening in our back garden with our neighbours and watch a few fireworks and play with sparklers. It's great, but I've seen so many pictures of fantastic displays in parks, that I've always wanted to experience it! I'm really looking forward to seeing all of the pretty colours but my older brother is excited to hear the loud bangs. My mum said she will buy us all a toffee apple too. I've seen them in the shops already and they look delicious! I can't wait to sink my teeth into the red, hard toffee, gum! My Dad is going to make some bonfire toffee too, he cooks the best ones ever!
Anyway, do you want to come with us? Ask your parents and let me know ASAP. There will be a gigantic fire there to celebrate the failed plot of Guy Fawkes, but make sure you wrap up warm as it will be a cold night! Also, make sure you bring some gloves to keep safe when we have the sparklers.
See you later hopefully,
Katie.
