1 What does *peeped* tell you about how Peter was looking over the edge of the wheelbarrow? Tick **one** box. [1]

He made a funny noise.

He didn't want to be seen.

He was staring.

He was jumping up and down excitedly.

2 How do you know that the mouse must be smaller than Peter? Explain fully and support your answer with evidence. [3]

Think carefully about what the mouse could do in contrast to Peter.
