

Romulus and Remus

Reading Prompt

What did the wolf do when she found Romulus and Remus? Why do you think she did this?

Point to the words that give you a clue.

What adjectives could you use to describe the brothers?

Explain why you have chosen them?

What did the brothers **agree** on and what did they **disagree** about?

What do you think will happen next?

Explain what clues you have spotted which make you think this?

What possible reasons might there have been for why the brothers preferred their chosen mountain?

Suggest two ideas for each mountain.

The brothers are quite angry and aggressive. Can you think of reasons why they might be like this?

Identify the parts of the story that gave you these ideas.
