

God of the sky,
thunder, lightning
and king of all the
gods.

He wants people to
do their duty and
behave well.

If angry, he will
throw lightning bolts.

Jupiter

Goddess of women and marriage, and queen of the gods.
She is energetic, youthful and resilient but can get very jealous.
She has a highly effective bodyguard.

Juno

God of war, nature,
spring and cattle,
and a bit of a
troublemaker to
boot. He is very
handsome. The
other gods tend to
avoid him as he likes
a good fight.

Mars

Goddess of love, vegetation and beauty, she is always looking for love. She disliked being bound to her husband and didn't treat him with much respect.

Venus

God of the sea and fresh water, he is very powerful and handsome. Known to be moody, he only visits Mount Olympus occasionally.

Neptune

Goddess of the
harvest.

Crops fail if she
becomes upset in
any way.

Ceres

God of the sun,
music, healing and
prophecy. He is kind
and loved by all.

Apollo

Goddess of the
moon and hunting.
She can talk to and
control animals, but
has a cold heart.

Diana

Messenger to the gods as he is very fast, clever and trustworthy. He is well liked by the other gods.

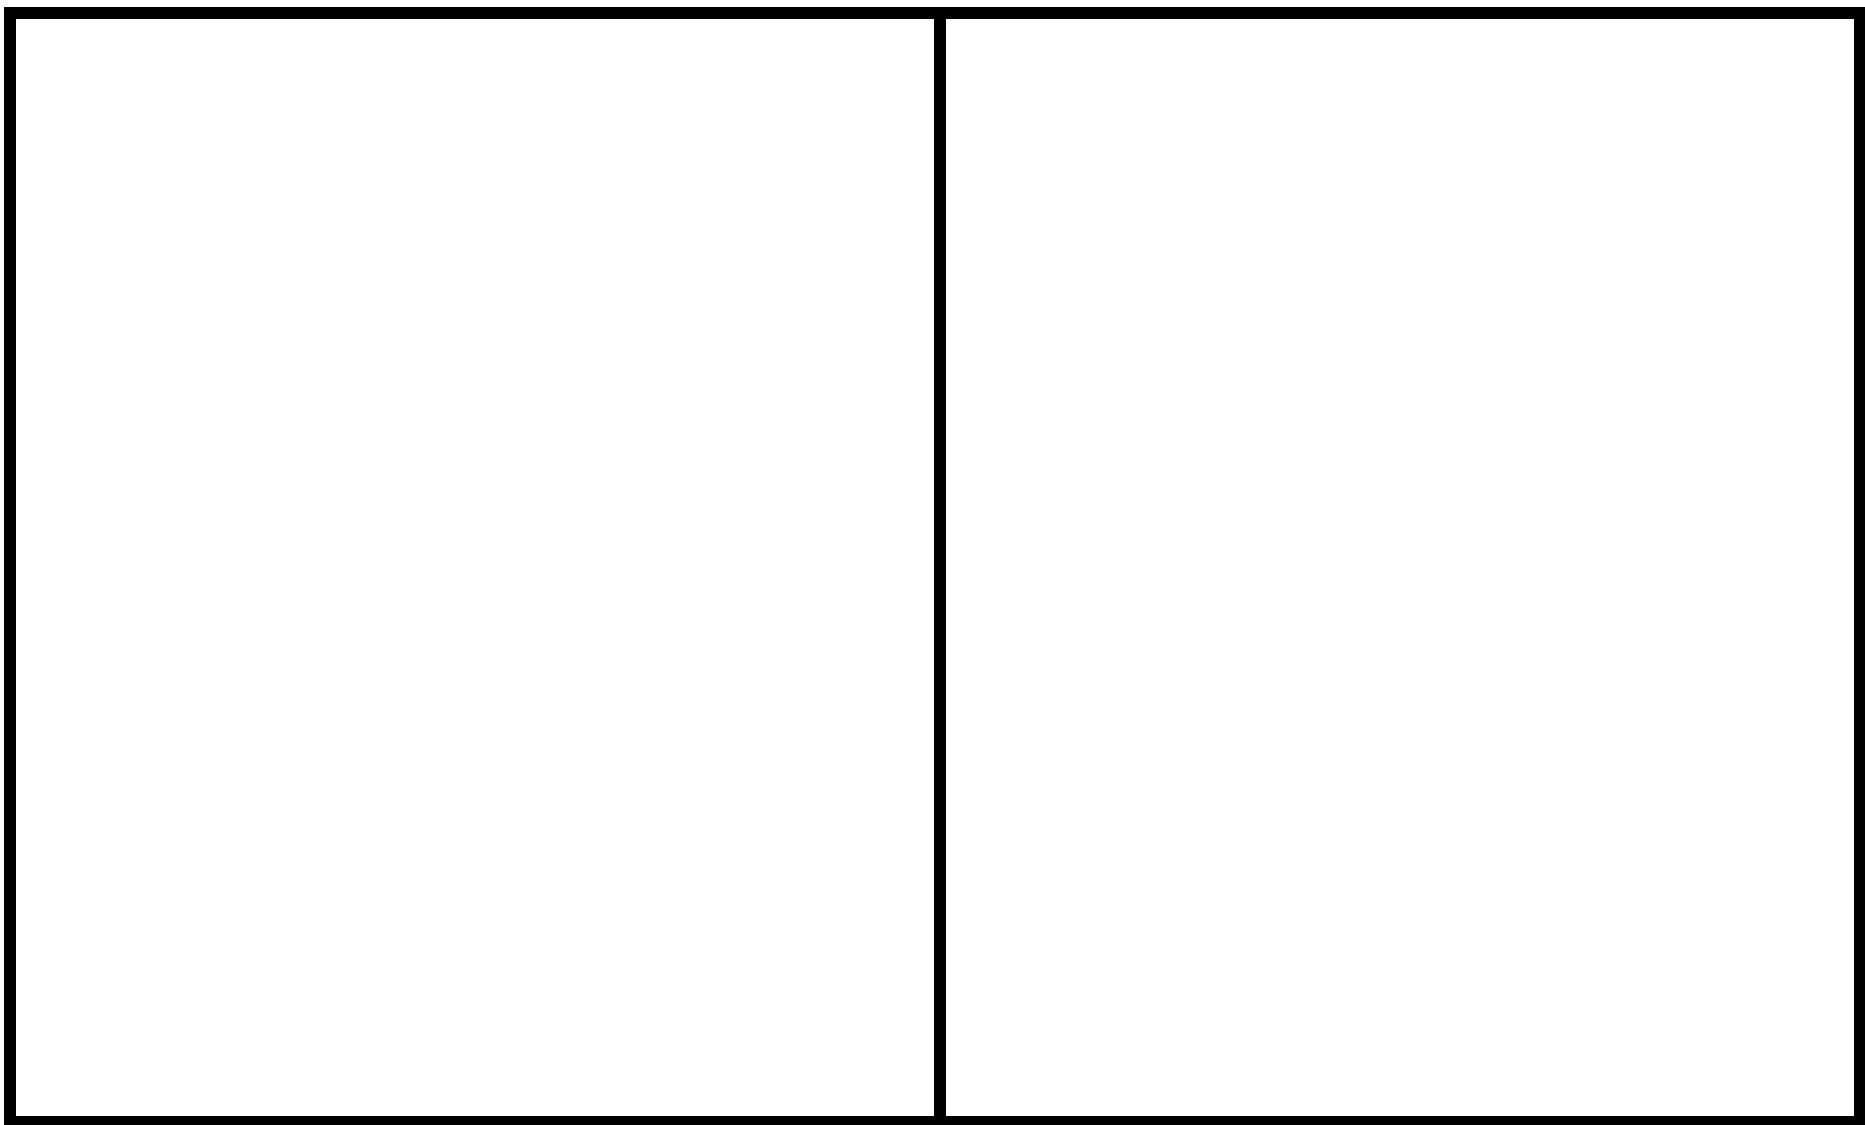

Mercury

Goddess of wisdom,
she has great beauty
and power.

Minerva

God of freedom and of grape vines. He protects growing grapes so that they can be pressed and made into wine with which to welcome guests. He also encourages freedom of speech.

Liber

Goddess of the
hearth and home.
She is very kind and
cares greatly about
women, watching
out for them.

Vesta

God of fire and
forge, he causes
volcanoes to erupt if
he puts too much
fuel on his furnaces.

Vulcan

God of love, he helps people fall in love by shooting them with his magic arrows.

Cupid
