

Aliens Stole My Underpants

By Brian Moses

To understand the ways
of alien beings is hard,
and I've never worked it out
why they landed in my backyard.

And I've always wondered why
on their journey from the stars,
these aliens stole my underpants
and took them back to Mars.

They came on a Monday night
when the weekend wash had been done,
pegged out on the line
to be dried by the morning sun.

Mrs Driver from next door
was a witness at the scene
when aliens snatched my underpants –
I'm glad that they were clean!

It seems they were quite choosy
as nothing else was taken.

Do aliens wear underpants
or were they just mistaken?

I think I have a theory
as to what they wanted them for,
they needed to block off a draught
blowing in through the spacecraft door.

Or maybe some Mars museum
wanted items brought back from Space.
Just think, my pair of Y-fronts
displayed in their own glass case.

And on the label beneath
would be written where they got 'em
and how such funny underwear
once covered an Earthling's bottom!
