1 'Do you think you could be an astronaut and make the next great discovery in space?'

Why has the author started this text with a question? Mark each answer as true or false. The first one has been done for you. [2]

	True	False
to draw you into the text	✓	
the author wants you to be an astronaut		
to puzzle the reader		
to make it interesting		

2 'Do not expect to go to the moon in your first week.'

Why does the author say this? Explain your answer carefully. [3]

---

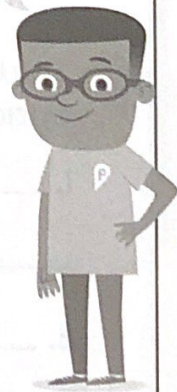

---

3 Draw lines to match the facts to the years. The first one has been done for you. [1]

Try looking for the years and making a note about the fact that they refer to.

Facts	Years
Scientists have been studying the effects of being in space for	up to 6 years
Training to be an astronaut can take	1969
NASA has been training astronauts for	over 60 years
Neil Armstrong walked on the moon in	60 years

4 Read the NASA box again. Find and copy one word that means *linked* or *connected*. [1]
