

Settlement Types Worksheet Answers

	Shopping	Leisure	People	Jobs	Roads
Village	I have one small shop that sells essential groceries mostly and my prices are quite expensive.	You can visit my pub or go for a walk in the surrounding fields.	A few hundred people live in my cottages and houses.	Not many people work here. Most people travel to other nearby settlements to work.	There are narrow lanes and roads. The roads are not busy and there is no rush hour.
Town	I have several supermarkets. Also there are a few specialist shops selling a wide range of different items.	Some people enjoy swimming in my pool. Other people enjoy visiting my cinema.	Many thousands of people live in my houses.	Most people who work here live locally. Some people work in my factories and some people work in my offices.	There are quiet residential roads and busy through roads. There is a rush hour.
City	You can buy anything here. There are lots of supermarkets, department stores, and some shopping malls.	You can visit my many restaurants, theatres and museums. I have sports stadiums and many sporting venues.	Many hundreds of thousands of people live in my houses and apartments.	Lots of people travel to work in my large office blocks.	I have quiet residential roads, busy through roads and even busier roads connecting me with other cities. I have a long rush hour.
