

# Primary Geography Year 4 Assignment 07

---

<b>SUBJECT</b>	Primary Geography Year 4
<b>ASSIGNMENT</b>	07
<b>STUDENT NAME</b>	

## INSTRUCTIONS:

This assignment is to create a fact file on settlement in your local area. Follow the instructions to complete all of the tasks below. You can use your own work, your Study Book and the Internet to help you.

Your assignment will be marked out of 25, which will be multiplied to give you a percentage mark out of 100.

---

### Task 1: My Settlement

Answers the questions below:

1. What is the name of the settlement you live in? Which county is it in? Which region?

---

---

2. What type of settlement is it? (Hamlet, town, etc.) How do you know this?

---

---

3. Is your settlement pattern dispersed, linear or nucleated? Why do you think this is?

---

---

(5 marks)

---

## Task 2: My Area

On the following page, put a map of your area in the middle – this could be stuck on, drawn by hand or inserted from the Internet, e.g. Google Maps. It can be any scale but should show your settlement and the local area.

Around the outside of the map, label key features of settlement in your area.

Your labels could include information on:

- Settlement types: hamlets, villages, towns, cities, conurbation.
- Settlement patterns: linear, dispersed, nucleated.
- Reasons for settlements: rivers, roads, flat land, etc.
- Reasons for no settlements: too steep, too marshy, etc.

(20 marks)

Good luck!
