

Primary Geography Year 4 Assignment 09

SUBJECT	Primary Geography Year 4
ASSIGNMENT	09
STUDENT NAME	

INSTRUCTIONS:

This assignment is to design an advert for a new settlement on Mars in the Year 3014! Before completing this task you should look at the PowerPoint 'Settlement of the Future'.

Your work will be marked on creativity, sustainability and advert design.

Your assignment will be marked out of 25, which will be multiplied to give you a percentage mark out of 100.

Task:

On a piece of A4 paper design an advert to attract residents to a new city to be built on Mars. You can complete your poster by hand or on the computer. Don't forget to think of a name for your city!

You must include:

- A picture of your new city.
- Information on how your city is sustainable.
- Why your city is a good choice.

There are 10 marks for the design of your advert (presentation, pictures, detail, persuasive language).

There are 10 marks for the sustainability of your city (3 elements – people, environment, economy). The last slide of the PowerPoint gives ideas of things to think about.

There are 5 marks for creativity and originality. (Surprise me! What unusual ideas can you come up with?)

Good Luck!
